2013 AGM HIGHLIGHTS

- Accounts officer prefers the use of internet banking for club and hut fees. Please add your family name and initials into the reference fields

- Due to the ongoing increases in running costs of the hut, the annual adult subs have risen from
- \$95 to \$120, and junior subs have risen from \$15 to \$20.
- An amendment to the club rules now allows any remaining monies held

in credit in the hut account after a membership has been terminated, will revert to the club funds (after every effort has been made to contact the member concerned). Ex-members will also be asked if they wish to donate outstanding fees to the Scholarship account in lieu of a refund.

SCHOLARSHIPS

Applications for scholarships has now closed. We have had a large number of applications for scholarships this year, with some people unfortunately missing out. We hope that all of you have a great season and make the most of the opportunity.

HOUSEKEEPING REMINDERS

The mattress protector sheets on the bunks are there for the whole ski season and are not cleaned during this period. Please bring your own bottom sheets for the duration of your stay at the club.

Put your food into sealed containers, particularly if it is long-lasting and potentially there over the summer. There has been a wonderful mouse plague and they have been feasting on all the open and lightly wrapped food available in our hut.

Wanted to buy 150cm performance skis. Good condition with no more than 50 days skiing on them. Race skis preferable

WHAKAPAPA SKI CLUB JUNIOR MEMBERS PRE-SEASON TRAINING FUN DAY!

Hi guys! I hope everyone had an amazing summer and had a splendid start at school this year.

As you may have noticed, the weather is slowly starting to ease its way into winter,

which means doing the usual pre-season routine; gathering the equipment, making sure the thermals, boots, jacket, and pants still fit. Also, the time to start training your body to ensure it can last an entire 8 hour day of blue bird skiing or snowboarding at beautiful Mt. Ruapehu!

A fantastic way to bring together junior members from different years, schools & ages and to socialize with others would be to have a pre-season gathering.

An idea I'm suggesting is to have pre-season sausage sizzle with baked goods at Bunnings in Whakatane (at the Hub) followed by a fun day out at the Adrenalin Forest in Tauranga.

This would be a great opportunity for us as juniors to get to know each other better as individuals who all share the mutual love for winter and shredding it up on the slopes! It would also develop team building skills with other juniors

from the Whakapapa Mountain Club and have a fun day breaking out of your comfort zone to build confidence and improve fitness for ski season.

The plan would be to host a sausage sizzle along with baked goods to raise money and then have the money raised go towards the pre-season training fun day at the Bay of Plenty Adrenalin Forest in Tauranga. Everyone who helps at the sausage sizzle would receive some proceeds to the price at the Adrenalin Forest.

FUNDRAISING

WMC is taking on Go Fast Sports Drink as a fundraising option for rising costs. For every 3 Can Box of Go Fast sold, not only does our club benefit financially, but the purchaser is getting the best available product to use, regardless of their mental or physical demands.

Go Fast has been designed by athletes and nutritionists with performance in mind.

Go Fast is a complete recipe, using non-refined sugars as its' main fuel source. This enables a quick delivery if required, or a slow release if desired. The faster your need, the more rapidly it delivers. This alone makes the performance of Go Fast unique, allowing you to use and sell Go Fast with complete confidence.
