Jim, Bill and Tanya have been amazing on the committee and dedicated a lot of time and support to the club, they are stepping down this year so we have a few roles to fill. Also stepping down is our amazing booking officer Julie.

We are in need of enthusiastic members to join the committee and to help out with various roles & tasks.

Upcoming Working Party

The next working bee is 30th April/1st May 2022.

If you are able to attend please contact Matt

This is a good chance to push for new members to join and come do their working bee.

We need new members

Costs are going up, people are using the hut less and membership is down. We all need to think of ways to encourage new members, invite guests up to experience the club. The more people using the club the more affordable and sustainable it becomes for everyone. A healthy membership means we can keep our subs to a minimum.
