## PBL Scholarship

The Peter Lawrence fund was set up through the generous donation of the late member Peter Lawrence and is available to assist in the development of young members in the club.

After several years absence the committee wish to once again offer funding scholarships for members development of skiing and boarding on the mountain.

**Junior and youth members are invited to apply in writing to the committee before the next committee meeting on the 11<sup>th</sup> July 2022.**

Please give a brief summary of what sort of financial support you are seeking and how it will be used to develop and improve the members ability on the mountain.

Funding is limited and letters written personally by the youth or junior member themselves will be considered more favourably by the committee.

Support is not limited to the RAL programmes being offered this season <https://www.mtruapehu.com/programmesbeing>, the committee will consider all applicants and ideas.

## Join the Committee!

We are on the look for new committee nominations, we have a few spots that need filling so please express your interest and find out more by emailing: [whakapapamountainclub@gmail.com](mailto:whakapapamountainclub@gmail.com)

We are in need of enthusiastic members to join the committee and to help out with various roles & tasks.

One of the roles we have open is Club Captain! What does that role involve? As Club Captain you will be responsible for: Drumming up hype/excitement for different event weekends Communicate with RAL to organise our club races and attending the other races on the mountain.

Come along to the next committee to see how it all works! A committee meeting is held at the start of each month and members are welcome to attend!

**Our next committee meeting: The Lighting Hub The Strand 11th July 7:30pm**

## Limited Membership

It has come to the committees attention that a degree of uncertainty exists around **“limited membership”**.

The limited membership option at the club is in short membership of the club that is indeed limited.

**Limited membership is exactly the same as a guest visiting the club** except without the need for a full member sponsor being in attendance.

The limited member can book a stay at the hut themselves but just like a guest must pay the guest rate, cannot bring their own guests and does not have priority over full members - therefore a limited member can and will be “bumped” in favour of a full member if the hut is full, and a full member wishes to stay.”

## Thank you

Kim and Property Brokers!
