

WHAKAPAPA MOUNTAIN CLUB

BULLETIN ISSUE No. 165 September 2023

GENERAL NEWS UPDATE

Whakapapa Club Sports

Sadly we had to cancel our 2023 Whakapapa Club Sports due to expected high winds and heavy rainfall keeping our numbers low. We're determined to make it happen in 2024 and would love to fill the club with racers and supporters of all ages and abilities. A few of the clubbies are whispering about hosting it this coming weekend so keep an eye on the weather and your mailbox's!

Whakapapa Combined Club Race Highlights

A huge thank you to our sponsors for supporting our participation! And to RSC, Christiania and Rangatira for hosting an awesome event. Last minute, the club banded together and we submitted wicked teams full of old dogs, fresh faces and podium veterans. Unfortunately they missed our men's snowboard times, but the boys were in high spirits and we celebrated together at RSC over mulled wine, a bratwurst BBQ and a magic Ruapehu sunset.

Financial Update

It's pleasing to note that the club remains in good financial health and this season with good snow has seen increased use of the hut allowing us cover our costs and then some following three challenging years on the Mountain.

RMCA Update

With all the recent uncertainty, the RMCA recently reconfirmed for us the value of WMC being an incorporated society. This protects all members from any liability should the ski field or the club get into difficulty and have to declare bankruptcy.

If you would like to see the full correspondence with the RMCA please contact the club email and we can share this with you.

Peter Lawrence Scholarship

Congratulations to **Sophia Boyes**, who applied for and received a Peter Lawrence (PBL) scholarship from the committee. The scholarship will cover her attendance at the Whakapapa Holiday Crew programme these School Holidays!

Thank you

Rick Donaldson, for your support of the committee with work parties and organising supplies through the years; especially in recent times.

Rick has kindly donated the supplies to the hut for the past 2 years. For this we are extremely grateful!

Thank you

Club Bookings

The club is humming with near full bunks in the past few weeks and everyone socialising over dinner together.

We've been trialling a change in the club booking rules! The Hut Booking Officer has discretion to allow single night bookings on the weekend provided that there is space. The committee is monitoring this for this season before considering any extension into the future.

See here - [Booking Rules](#)

A couple of reminders:

Please ensure booking payment is received and subs are paid up to date prior to staying in the club.

We have our shared meal for those staying Saturday nights so please see our Events and Shared Meal Plan on the next page; bring along a contribution.

Subscriptions

We still have six subs outstanding, a huge thank you to all of our subs who've paid.
