BULLETIN ISSUE No. 180 APRIL 2025

Working Bee Wrap-Up – April 12th

A big thank you to the eleven dedicated club members who headed up the mountain on April 12th for this summer's working bee! We gave the hut a solid spring clean and tackled some much-needed maintenance on the doors and windows to keep those cheeky drafts at bay.

Your time and effort are hugely appreciated — the hut's in great shape heading into the cooler months thanks to you.

Looking ahead, we've got some bigger projects lined up for next summer. It'd be amazing to see even more friendly faces up there, so please tuck a mental note away to lend a hand when the time comes. In particular, we're planning to reclad two of the hut's walls. If you're handy with a hammer (or know someone who is), we'd *really* love to have a few builders or experienced DIY-ers join the crew.

Following up from the cleaning that's been done, there are lockers and ski/snowboard racks available.

Peter Lawrence Scholarships Applications Close This Month!

The Peter Lawrence fund was set up through the generous donation of late member - **Peter Lawrence**. These scholarships are available to assist in the development of young members in the club, were positively re-introduced last season and we would like to offer them again.

Junior and youth members are invited to apply in writing to the committee before 30 April 2025.

Please provide a brief summary of what sort of financial support you are seeking and how it will be used to develop and improve their ability on the mountain.

Funding is limited and letters written personally by the youth or junior member themselves will be considered more favourably by the committee. Support is not limited to the RAL programmes being offered this season, the committee will consider all applicants and ideas to further develop our youth so get creative!
