

Whakapapa Mountain Club Member Induction Checklist

It is a privilege to stay on this mountain. There are not many places in the world where you can stay on an active volcano in accommodation of this nature. Please treat the building and its contents with respect and report any damage or breakages.

The Club must be left in a clean and tidy condition for the benefit of the next occupants.

Occupants must notify the Booking Officer and Hut Officer of any damage to the building or any of its contents.

Injury to any person whilst staying in the Club must be notified to the Health and Safety Officer.

Front door to be left closed at all times and only opened when entering or leaving the building. Do not leave the front door open as valuable personal and club equipment has been stolen or damaged in the past.

Make sure all doors and windows are closed & locked on departure.

Make sure the water valve is open and the electrical isolator switch is off.

Enjoy your stay in our Club!
